WHO'S LOVIN' YOU (SMALL GROUP)

When I (when I) had you (had you)
I treated you bad
And wrong my dear
And girl since
Since you been away

Dont'cha know I

Who's lovin' you

I, I, I, I
Should have never ever
Ever made you cry
And girl since
Since you been gone

BEN (SMALL GROUP)

Ben, the two of us need look no more
We both found what we were looking for
With a friend to call my own
I'll never be alone, and you, my friend, will see
You've got a friend in me

Ben, you're always running here and there
You feel you're not wanted anywhere
If you ever look behind and don't like what you find
There's something you should know, you've got a place to go

I used to say I and me, now it's us, now it's we
I used to say I and me, now it's us, now it's we

Ben most people would turn you away
I don't listen to a word they say
They don't see you as I do
I wish they would try to'
I'm sure they'd think again if they had a friend like Ben
A friend
like Ben
(Like Ben)
Like Ben

WE ARE THE WORLD FOR HAITI 25 (FULL GROUP)

There comes a time
When we heed the certain call
When the world must come together as one
There are people dying
And it's time to lend a hand to life
The greatest gift of all

We can't go on
Pretending day by day
That someone, somehow will soon make a change
We are all a part of
God's great big family
And the truth, you know love is all we need

We are the world
We are the children
We are the ones who make a brighter day
So let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day
Just you and me

We'll send them your heart
So they'll know that someone cares
So their cries for help will not be in vain
We can't let them suffer no we cannot turn away
Right now they need a helping hand

We are the world
We are the children
We are the ones who make a brighter day
So let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day
Just you and me

When you're down and out
There seems no hope at all
But if you just believe
There's no way we can fall

(Well, well, well) let us realize
That a change can only come when we
Stand together as one

We are the world
 We are the children
 We are the ones who make a brighter day
 So let's start giving
 There's a choice we're making
 We're saving our own lives
 It's true we'll make a better day

HUMAN NATURE - GLEE (SMALL GROUP)

Looking out across the nighttime
The city winks a sleepless eye
Hear his voice, shake my window
Sweetly peaceful sighs (changed lyric for age)

Get me out into the nighttime
Four walls won't hold me tonight
If this town is just an apple
Then let me take a bite

If they say,
Why, why, tell 'em that it's human nature
Why, why, (does he do me that way)
If they say,
Why, why, tell 'em that it's human nature
Why, why does he do me that way

Reaching out to touch a stranger
Electric eyes are everywhere
See that girl, she knows I'm watching
She likes the way I stare

If they say,
Why, why, tell 'em that it's human nature
Why, oh why, does he do me that way
If they say,
Why, why, tell 'em that it's human nature
Why, oh why, does he do me that way
I like livin' this way
I like lovin' this way

Oh why / Oh why
Why, why, tell 'em that it's human nature
Why

BLACK OR WHITE (FULL GROUP)

I took my baby on a Saturday bang
Boy is that girl with you
Yes we're one and the same
Now I believe in miracles
And a miracle has happened tonight
But, if you're thinkin' about my baby
It don't matter if you're black or white

They print my message in the Saturday Sun
I had to tell them I ain't second to none
And I told about equality and it's true
Either you're wrong or you're right
But, if you're thinkin' about my baby
It don't matter if you're black or white

I am tired of this devil
I am tired of this stuff
I am tired of this business
So when the going gets rough

I ain't scared of your brother
I ain't scared of no sheets
I ain't scared of nobody
Girl when the goin' gets mean

Protection
For gangs, clubs, and nations
Causing grief in human relations
It's a turf war on a global scale
I'd rather hear both sides of the tale
See, it's not about races
Just places
Faces
Where your blood comes from
Is were your space is
I've seen the bright get duller
I'm not going to spend my life being a color

Don't tell me you agree with me
When I saw you kicking dirt in my eye

But, if you're thinkin' about my baby
It don't matter if you're black or white

I said if you're thinkin' of being my baby
It don't matter if you're black or white
I said if you're thinkin' of being my brother
It don't matter if you're black or white

Alright, come on
Ooh, ooh (don't fight it)
Yea, yea, yea

Ooh, ooh
Yea, yea, yea
Alright
It's black, it's white
It's tough for them to get by

It's black, it's white whoo
It's black, it's white it's tough for them to get by
It's black it's white
Whoo

 Gonna lock you up / Before too long

Your lyin' eyes / Gonna tell you right
 So listen up / Don't make a fight,
 Your talk is cheap / You're not a man
 You're throwin' stones / To hide your hands

EARTH SONG (FULL GROUP)

Spoken: (Michael Jackson's voice)
 Planet Earth, my home, my place
 A capricious anomaly in the sea of space
 Planet Earth are you just
 Floating by, a cloud of dust

Spoken: Do you care, have you a part
 In the deepest emotions of my own heart
 Tender with breezes caressing and whole
 Alive with music, haunting my soul
 Planet Earth, gentle and blue
 With all my heart, I love you

Sung: What about sunrise?
 What about rain?
 What about all the things
 That you said we were to gain?
 What about killing fields?
 Is there a time
 What about all the things
 That you said was yours and mine?
 Did you ever stop to notice
 All the blood we've shed before
 Did you ever stop to notice
 This crying Earth, its' weeping shore

Aaaaaaaaah Ooooooooooh

I used to dream
 I used to glance beyond the stars
 Now I don't know where we are
 Although I know we've drifted far

(Aaaaaaaaah)
 What about yesterday
 (What about us)
 What about the seas
 (What about us)
 Heavens are falling down
 (What about us)
 I can't even breathe
 (What about us)
 What about apathy
 (What about us)
 I need you
 (What about us)
 What about nature's worth

(ooo, ooo)
It's our planet's womb

(What about us)
What about the holy land
(What about it)
Torn apart by greed
(What about us)
What about the common man
(What about us)
Can't we set him free
(What about us)
What about children dying
(What about us)
Can't you hear them cry
(What about us)
Where did we go wrong
(ooo, ooo)
Someone tell me why

(What about us)
What about baby boy
(What about it)
What about the days
(What about us)
What about all their joy
(What about us)
What about the man
(What about us)
What about the crying man
(What about us)
What about Abraham
(What about us)
What about death again
(ooo, ooo)
Do we even care (changed from original lyric for age)

Aaaaaaaaah Ooooooooooh
Aaaaaaaaah Ooooooooooh

WILL YOU BE THERE (FULL GROUP)

Hold Me
Like The River Jordan
And I Will Then Say To Thee
You Are My Friend

Carry Me
Like You Are My Brother
Love Me Like A Mother
Will You Be There?

Weary
Tell Me Will You Hold Me
When Wrong, Will You Scold Me
When Lost Will You Find Me?

But They Told Me
A Man Should Be Faithful
And Walk When Not Able
And Fight Till The End
But I'm Only Human

Everyone's Taking Control Of Me
Seems That The World's
Got A Role For Me
I'm So Confused
Will You Show To Me
You'll Be There For Me
And Care Enough To Bear Me

Hold Me (Show Me)
Lay Your Head Lowly (Show Me Yeah)
Softly Then Boldly (Yeah)
Carry Me There (I'm Only Human)

Lead Me (Hold Me Yeah)
Love Me And Feed Me (Love Me Yeah)
Kiss Me And Free Me (Yeah)
I Will Feel Blessed (I'm Only Human)

Carry (Carry Yeah)
Carry Me Boldly (Carry Yeah)

Lift Me Up Slowly (Yeah)
Carry Me There (I'm Only Human)

Save Me (Need Me Yeah)
Heal Me And Bathe Me (Lift Me Up, Life Me Up)
Softly You Say To Me
I Will Be There (I Will Be There)

Lift Me (Hold Me)
Lift Me Up Slowly
Carry Me Boldly (Yeah)
Show Me You Care (I Will Be There)

Hold Me
Lay Your Head Lowly (I Get Lonely Sometimes, I Get Lonely, Yea Yeah)
Softly Then Boldly
Carry Me There (Carry Me There)

Oh I Will Be There
Yeah I Will Be There
